ACCESS CONTROL & MAIL PROTECTION

LBX

CELLCOM
PRIME7
7th GENERATION
GSM RANGE

LBX

Bringing you the latest access control systems to secure your home.

The LBX, an all-in-one innovative solution for property exteriors.

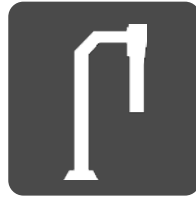

The LBX is designed to provide a simple and modern solution to property access and traditional postal requirements. Pairing a modern design with the functionality of AES intercoms, the LBX is a great option to declutter your property's exterior.

Protect your entrance and your mail.

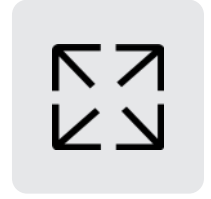

Access Control - gates/door entry, speak to your callers etc.

Can be pedestal or wall mounted.

LBX with GSM technology listed.

Max letter size C4
Letter slot H56 x W235.

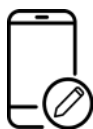

AES are one of the largest manufacturers of **GSM, Wireless, IP** and **Wired audio** and **Video intercoms**. All of the products come with a **2 year warranty** and free technical help and support.

The LBX are made from brushed BS316 marine grade stainless steel for corrosion resistance. Some units have black powered coated steel (other colours are available for bespoke units, ask your sales rep for more information). Tough gloss acrylic faceplates give the units a modern look, perfect for any entrance.

Advanced GSM Intercom

Never miss a visitor/caller, this unit calls your home phone or mobile on roll-over when a visitor presses the call button.

Store up to 4 notification phone numbers to receive an SMS (customizable) when relay is triggered etc

Ability to set Do-not-disturb times.

Set automatic gate open & close times.

Trigger, latch and unlatch SMS replies.

IP55 rating for intercom section only.

FOTA – Upgrade firmware via SMS.

2x Relays.

Intercoms with proximity readers are available.

Issue time-restricted keypad codes.

Antenna.

Works with the multi network AESIM.
aesglobaltelecom.com
